I would like to register as an interested and affected party pertaining to the abovementioned development. I am a concerned nature lover with a keen interest in specifically a species called Smaug Giganteus, aka Sungazer and more commonly in Afrikaans, as “Ouvolk”. I am aware of colonies of Sungazers on the land earmarked per your description and Google Earth snapshot on the signboard placed at Welkom Cemetery, and on your website. I have evidence of the above which I will gladly share with interested parties. Feel free to contact me for particulars	Good day, Thank you for your email.
