Exploration Right (ER32) located north of the Production Right is approximately 7.2 km north-west of Welkom and the Exploration Right (ER94) to the south of the Production Right is approximately 19.2 km south of Virginia. An MPRDA Section 102 application shall be lodged to consolidate ER 32 and ER 94 (with associated exploration activities) into the Production Right and this process will also require an Environmental Authorisation application in terms of the National Environmental Management Act (Act 107 of 1998).

EIMS will be following the procedures defined in the Environmental Impact Assessment (EIA) Regulations (GNR082 of 2014, as amended) for undertaking a Basic Assessment process.
