Good day, Please note that all development applications are processed via our online portal, the South African Heritage Resources Information System (SAHRIS) found at the following link: <http://sahra.org.za/sahris/>. We do not accept emailed, posted, hardcopy, faxed, website links or Dropbox links as official submissions. Please create an application on SAHRIS for each EA application and upload all documents pertaining to the Environmental Authorisation Application Process. As per section 24(4)b(iii) of NEMA and section 38(8) of the National Heritage Resources Act, Act 25 of 1999 (NHRA), an assessment of heritage resources must form part of the process, and the assessment must comply with section 38(3) of the NHRA. If a case already exists on SAHRIS regarding the development, please upload the documents to that case using the "Make an additional submission to an existing case" in the application selector wizard <https://sahris.org.za/form/application-selector>. Please ensure that all documents produced as part of the EA process are submitted as part of the application. ****PLEASE NOTE**** An application fee is now required for all section 38 applications. Please ensure that the SAHRIS application contains a proof of payment as per the notice at the following link: <https://sahris.org.za/help>. A payment of R 2 000.00 for each application is required. Please make separate payments with the specific reference numbers. Applications that do not include a proof of payment will be considered incomplete and will not be processed until proof of payment is provided. Please make use of the SAHRIS Case ID in the payment reference. e.g. 12345/38.8. Please upload the PoP using the "Make an additional submission to an existing case" in the application selector wizard <https://sahris.org.za/form/application-selector>. The case officer assigned to your case will approve the submission and begin to process the case Kind regards

Response

Good day, Apologies for the delayed response, the application was/will uploaded onto your website by the applicant.

Dear Sir/Madam Your wayleave application with project reference number 1658/VM/am dated 15 August 2025 has reference. Transnet Pipelines, a division of Transnet SOC Limited, is not affected by the proposal. Your awareness of the existence of Transnet’s pipeline servitudes and concern for their integrity is highly appreciated. This authorisation shall be valid for 48 months from the date - 18 August 2025.	Good day, Thank you for your email. We take note of you comment and authorisation of the proposed project.

Dear Sir / Madam NEW PIPELINE CULVERT TO CONNECT SAVUKA PLANT AND MPONENG LOWER COMPARTMENT TSF Your application dated 27 August 2025 has reference. The South African National Roads Agency SOC Limited (SANRAL) has no objection to the above- mentioned application as no roads or interchanges under the jurisdiction of SANRAL are affected. Yours sincerely	Good Day, Kindly find attached locality map and kml files of the proposed activities. The only activity which may affect a road if the proposed activities are approved if the construction of the culvert. The culvert is located at 26°26'53.22"S; 27°24'39.53"E. In order for the pipes to connect Savuka Plant and the Mponeng Lower Compartment TSF, a new pipeline culvert of approximately 1 2m long and 1 0m wide will be required to cross the surfaced road immediately north of the Mponeng Lower Compartment TSF. The culvert will either be an arch, circular or box culvert. The culvert will be made of concrete or corrugated metal (see Figure 9). Detailed designs will be provided in the EIA Phase once the engineering designs have been completed.
